The Science of Perfected Sound

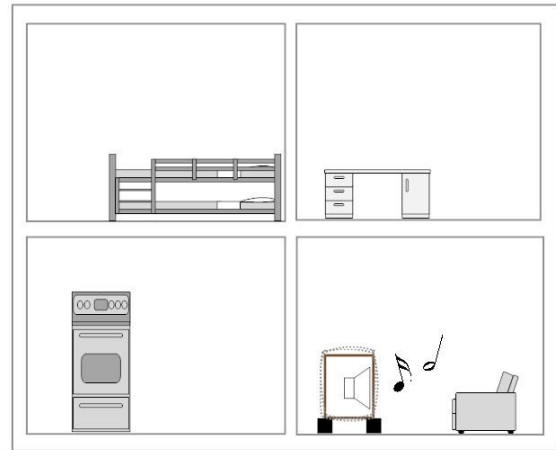

Equipment Vibration Protectors

Fun Facts

W/O EVPs

With EVPs

1. EVPs benefit all audio systems, regardless of price range
2. EVPs eliminate the need for expensive isolation equipment racks and platforms
3. EVPs never wear out
4. No burn-in period
5. EVPs not only improve sound quality in the room, but allow peace and quiet for the rest of the building
6. EVPs can be custom made; custom colors, dimensions and densities
7. AV RoomService donates to the MHOF from the sales of EVPs
